

Learn Kabbalah and Meditation at the Gnostic Retreat in Sydney

There is a path that leads one out of suffering:
through personal experience of Reality.

In spite of our technology, our problems seem to be
growing more complex. Economic problems, war, poverty,
disease, natural catastrophes... Suffering dominates the
daily news, and it wearies the heart and mind. Everywhere
there are theories, but the tide of pain seems to be rising.

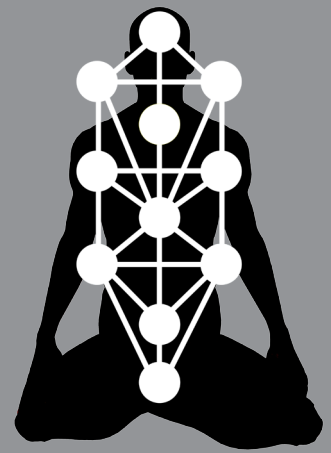

There is a solution.

Discover the key to awaken the consciousness and conquer suffering.
Discover Gnosis: the source of all religions and mystical traditions.

Learn first hand from experienced instructors about the practical
spirituality that leads to your own awakening. Give your spiritual life
an energizing boost, and make new spiritual friends, too!
